QUOTE: "The show opened our season and sold more season memberships than any year since we began our series in 1948! Mickey, Jan, the band, staff were delightful! Couldn't ask for a nicer or easier to work with group since I came on board ten years ago. Mickey was on stage the entire 90 minutes-quite alert and still a great "showman!" After two days with us, they were like old friends. I would recommend to anyone!"
